Everybody's Talking

Melon mania: Carving pumpkins at Halloween might be a normal thing to do, but carving watermelons to use as bandit masks is quite another. That's what two thieves in Louisa, Virginia, did to cover up their identities when they robbed a convenience store. They arrived at the business in a stolen vehicle, then strolled in, looking through carved-out "eyes" in the melons they wore on their heads. Police managed to find one of the culprits, and they are still searching for the other one.

Colour change: Blaze, a Labrador retriever from Finland, suddenly changed from black to white, and his owner couldn't figure out why. She wondered why a small patch of fur on her pet's ear suddenly turned white. Then, over the course of a year, much of Blaze's fur changed from black to white. It turns out that Blaze has vitiligo, a condition that causes the pigment in fur to lose its colour. Blaze doesn't seem to care. He is a loving, healthy dog that likes to play and go for walks. Thanks to his owner's posts, he has become a social media sensation.

Bedsheet shirts: Two clothing designers from Archivist Studio in Berlin, Germany, found a unique way to reuse material that would have gone to the dump. Eugenie Haitsma and Johannes Offerhaus offered to take expensive hotel bedsheets that were headed for the garbage bin, due to minor flaws and tears. The designers realized that the Egyptian linen would be perfect for shirts, and the hotels were happy to get rid of it. With so much quality material to work with, the entrepreneurs soon came up with some styles, and they intend to add more to their portfolio in the future.

Brave stance: Elephants may be quite a lot larger than crowned cranes, but that didn't stop one of the birds from aggressively protecting its nest against a herd of the giant grazing mammals. The crane's bravery was caught on camera in Kenya's Maasai Mara National Reserve. As the elephant approached, the crane spread its colourful wings and squawked loudly while moving towards the mammal in a menacing manner. The adult moved away, and then the crane started badgering a baby elephant, which didn't go over well with the adult. All was well in the end, as the elephants wandered off.

Recipe of the month

Cheesy Broccoli Soup in a Bread Bowl

1/4 cup butter, cubed
1/2 cup chopped onion
2 garlic cloves, minced
4 cups fresh broccoli florets (about 8 ounces)
1 large carrot, finely chopped
3 cups chicken stock
2 cups half-and-half cream
2 bay leaves
1/2 teaspoon salt
1/4 teaspoon ground nutmeg
1/4 teaspoon pepper
1/4 cup cornstarch
1/4 cup water or additional chicken stock
2-1/2 cups shredded cheddar cheese
6 small round bread loaves (about 8 ounces each), optional
Optional toppings: Crumbled cooked bacon, additional shredded cheddar cheese, ground nutmeg and pepper

Prep Time: 15 mins. Cook time: 30 mins. Yield: 6 servings

❶ In a 6-qt. stockpot, heat butter over medium heat; sauté onion and garlic until tender, 6-8 minutes. Stir in broccoli, carrot, stock, cream and seasonings; bring to a boil. Simmer, uncovered, until vegetables are tender, 10-12 minutes.
❷ Mix cornstarch and water until smooth; stir into soup. Bring to a boil, stirring occasionally; cook and stir until thickened, 1-2 minutes. Remove bay leaves. Stir in cheese until melted.
❸ If using bread bowls, cut a slice off the top of each bread loaf; hollow out bottoms, leaving 1/4-in.-thick shells (save removed bread for another use). Fill with soup just before serving.
❹ If desired, serve soup with toppings.

Odd name: Awkwafina is an American actress and rap singer who has starred in movies such as *Crazy Rich Asians* and *Ocean's 8*. She was born Nora Lum in 1988, and started calling herself Awkwafina when she was 16.
